Lynette,
 Wasn't it nice that
 you found out we
 were cousins riding
 on the Morris wheel. I
 really enjoyed cutting
 up with you that even-
 ing at the beach. I know
 you must be a sweet, pretty girl
 with a great personality
 or you wouldn't be "kiss-

 you are & life will
 greatly reward you!
 Good luck & best
 wishes forever!

Administration

Mr. J. R. Brendell
Principal

Mr. Brendell pondered problems of the day.

South Rowan entered its eleventh year under new leadership. Mr. Brendell came to South from Pinecrest High School in Southern Pines, North Carolina.

There have been many changes brought about during the past year. Mr. Brendell was continually looking ahead to find ways to meet the needs and problems of South Rowan.

Mr. Brendell is a man with ideas . . . the ability to communicate them . . . the power to inspire . . . a willingness to listen . . . and a dedication to serve.

*Mr. E. E. Montgomery
Asst. Principal*

Buses, bus drivers, insurance reports, attendance — these were but a few of the problems facing South's assistant principal. Mr. Montgomery was always a friend to all students at South. His concern for our school and its students has caused South Rowan to become a better place to study and to learn.

Where do we go from here?

Hi,

(Ha) - I hope
to be better

you're cute -

Summer
1973.

Debbie Troutman, Treasurer; Frank Overcash, President; Dwight Howell, Vice President; Karen Miller, Secretary.

Cynthia,
has been great
being you, although
have only known each other
at a year. We have had some great
times during the summer. Remember at the kiddie
pool and messing around up town. We have had
a great time also cleaning up the beauty shop on Mondays.
I don't get to see much of each other since Dean doesn't work at
shop. It has been great so having you for one of my friends. You have been
great and wonderful friend to me. It is too bad we are separated from one another,
cause you go to one school and I go to another. But because we go to different
schools doesn't stop us from being friends. Maybe we can spend some time together
this summer. Be good this summer and don't get into any kind of trouble.
Best of luck to you at South again next year. It is really hard to think
that we only have two more years of school. These last two years will
be gone before we know it. So good luck and best wishes to
a wonderful, sweet, and pretty girl with a great personality.
Best of luck always and my God bless
you.

Mr. "Herb" Eaton

As the year draws to a close, various thoughts flash into our minds – Mohawk . . . Big decision: Line A or Line B – meat loaf or meat loaf . . . Spirit stick . . . 2:30 . . . "Do-wad" . . . "Thank you for shopping the school store" . . . Seniors first . . . Blue jeans . . . Ribbons, wastebaskets, pens, pennants, toboggans. These thoughts we will always carry with us.

We the editors of the SOUTHERNER of 1972 would like to thank and acknowledge the following people who have helped to make this yearbook the best ever:

Lynette,

We have shared a glorious year with Mrs. Cox + Mr. Driver. It has had its funny moments (I guess). You're a sweet person with a good personality and I hope you will stay the same old Lynette. But I know that is very

Mrs. J. B. Faggart, our advisor, for her never-ending patience, kindness, and understanding. She was always willing to listen to us, to encourage us, and to advise us.

Mr. "Herb" Eaton, our Delmar representative, for his time and ideas.

Mr. Franklin Scarborough, for special photography.

The members of the annual staff, for their help and cooperation.

The faculty and the student body, for their cooperation.

*impossible because no one stays the same forever. Well be good and I'll see you next year! Lots of Luck - Vickie Hubbard
Rising Junior 11/1972*

Brief were my days among you, and briefer still the words I have spoken.

But should my voice fade in your ears, and my love vanish in your memory, then I will come again.

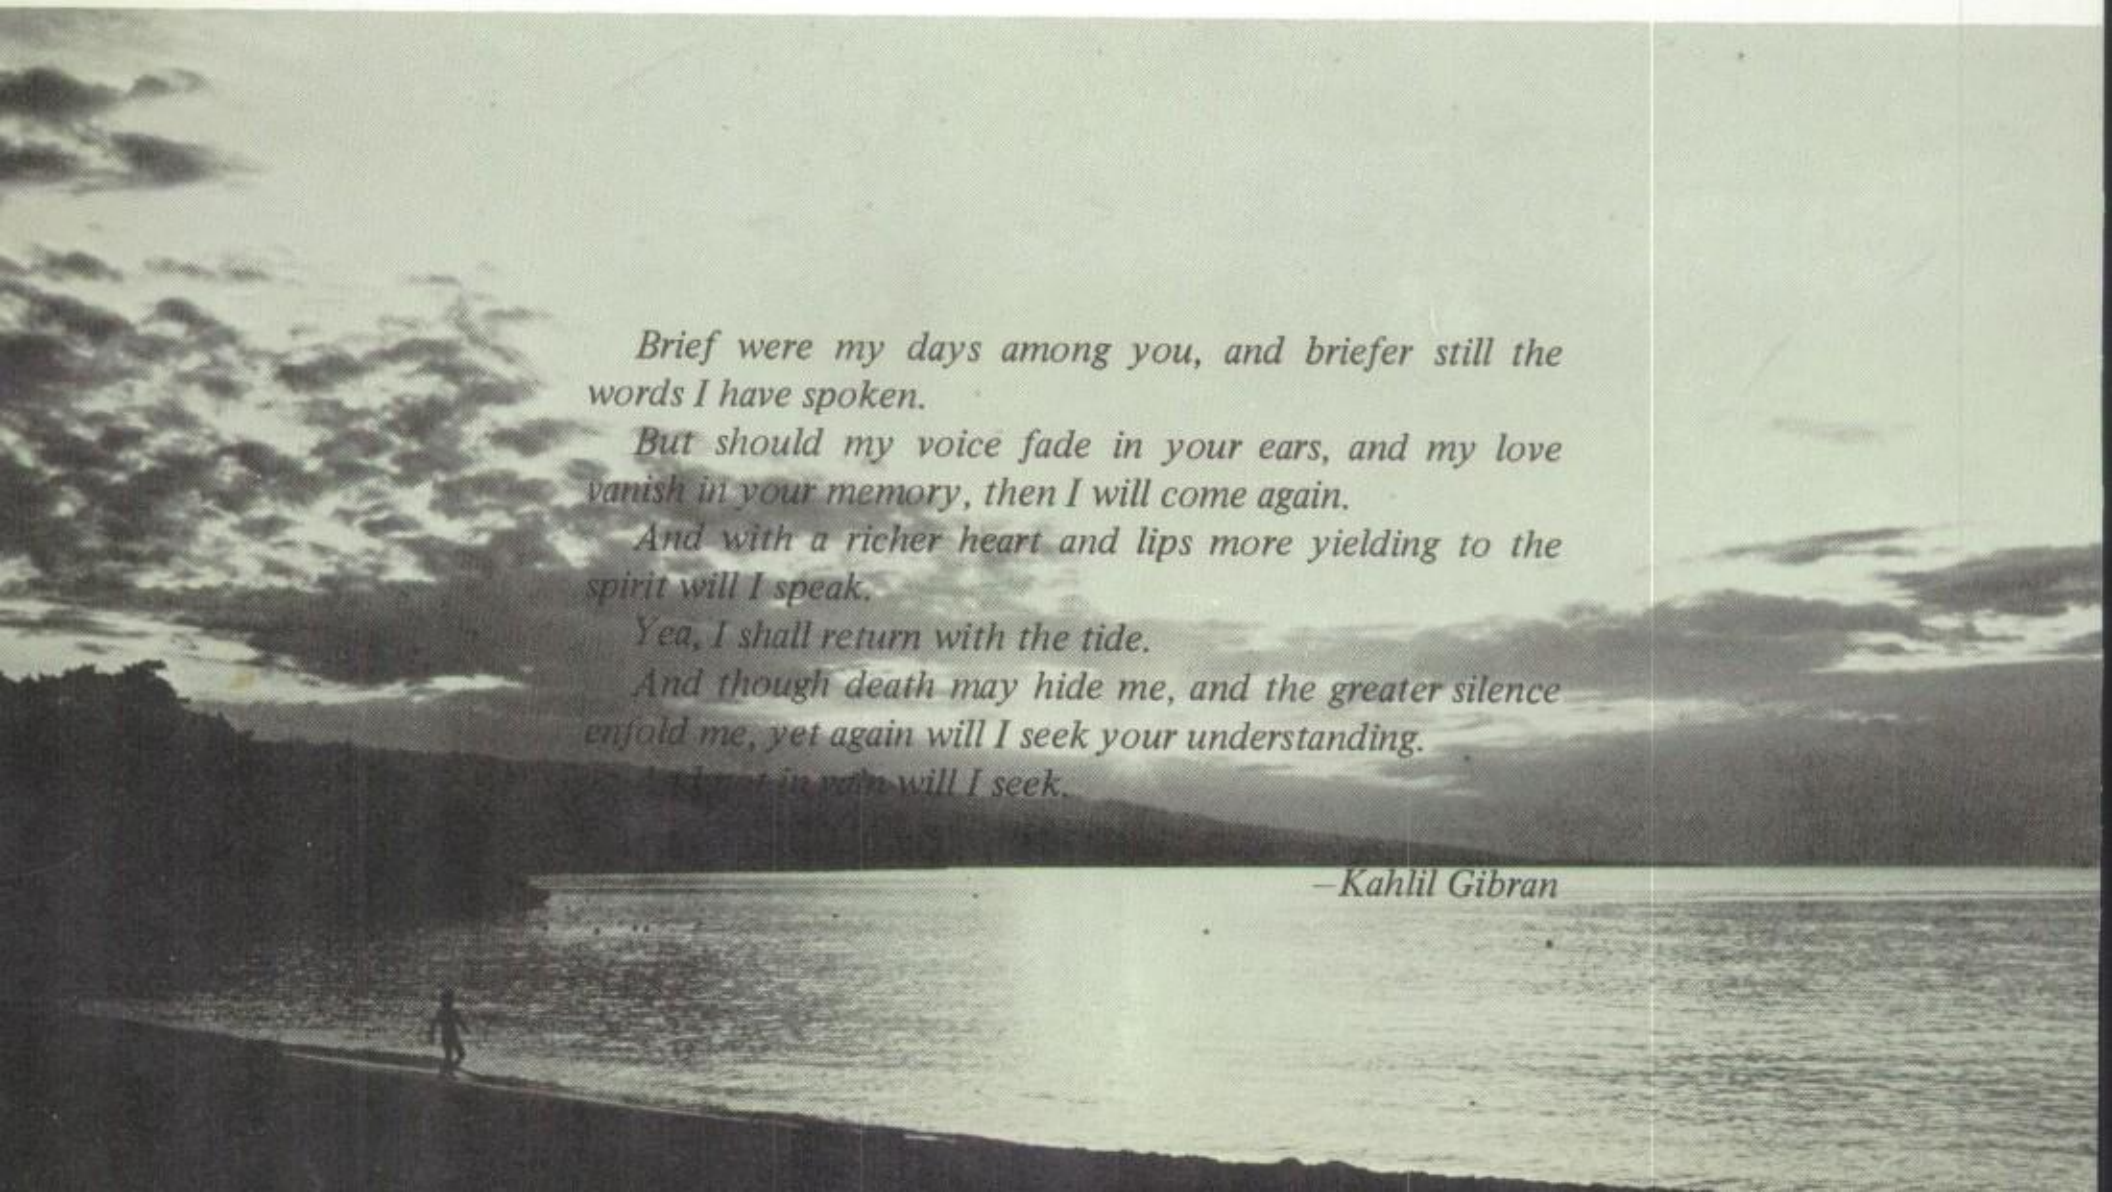

And with a richer heart and lips more yielding to the spirit will I speak.

Yea, I shall return with the tide.

And though death may hide me, and the greater silence enfold me, yet again will I seek your understanding.

And in vain will I seek.

—Kahlil Gibran

gnette, "It's hard to put a friend ship in
words. I've enjoyed knowing you and hope
we'll always be friends. I know you'll always
remember me because I wouldn't dissect a
frog or anything. We've had a lot of good
talks and laughed together a lot. Lynette
put God first before anything or any body
and keep only him as your master and he'll bless
you and make your life easier and help
you in your life when troubles are around.
Keep your morals and standards high and
your life will be worth living. Take life as
it comes and don't push it and in the
end you'll be happier. Have a good summer
and don't do anything I wouldn't do. And
be a good girl. Keep your hopes high and
you'll do better. Thank you for being
the kind of friend you've been to me, and
thank you again for all the help you've
given me. I might see you next year if
things don't work out like I've plan-
ed. Be sweet and stay happy and your
life will be easy. If I don't see you next
year, thanks again for being a friend.
Sorry I took up so much room but I'm
going to begin with and naturally I'm going to
think big and besides I told you "It's hard to
put a friendship into words!" Good Bye! and
Good Luck!

Love a friend always, 7/1/72

As the tides of the ocean keep coming to shore, each one seeming to be more important and demanding more attention, so changes seem to affect each of us. We must make decisions every day of our lives that may wrought change either in our lives or in the lives of others. Some decisions may bring wise changes; others may bring disastrous results.

As we, the editors and advisor, contemplated how we best could show these areas of our school life, we, too, had to make a decision. What was most important to you, our reader? Sports? Activities? Features? Faculty? Yourself? As the tides of change swept over us, we had our answer. Everything and everyone deserved first place. We knew what we had to do. Our answer? Close your book, turn it over, and begin again. Just as your memories of the year 1972 will have no end, so will the 1972 SOUTHERNER have no end.

Tides of Change . . .

*Because it rains
we wish it wouldn't,
Because men do what
they often shouldn't
Because crops fail
and plans go wrong,
Some of us grumble
the whole day long,
But somehow in spite
of the care and doubt,
It seems at last
that things work out.*

*Because we lose
what we hoped to gain,
Because we suffer
a little pain,
Because we must work
when we'd like to play,
Some of us whimper
along life's way.
But somehow, as day
will follow night,
Most of our troubles
work out all right.*

*Because we cannot
forever smile,
Because we must trudge
in the dust awhile,
Because we think
that the way is long,
Some complain that
life's all wrong.
But yet we live
and our sky grows bright,
And everything
works out all right.*

*So bend to your trouble
and meet your care,
For the clouds must break
and the sky grow fair,
Let the rain come down
as it must and will,
But keep on working
and hoping still,
For in spite of the grumblers
who stand about,
Somehow, it seems
all things work out.*

MRS. ALDENA SMITH

Dedication

As another year draws to a close, the class of '72 comes to realize more than ever the value of a good teacher. Her untiring efforts to teach English thoroughly yet interestingly and, at the same time, to understand the nature of her students have called our attention to her.

Her interest in her students extends outside the classroom. As Honor Society advisor she serves as an example and inspiration to all students to achieve academically.

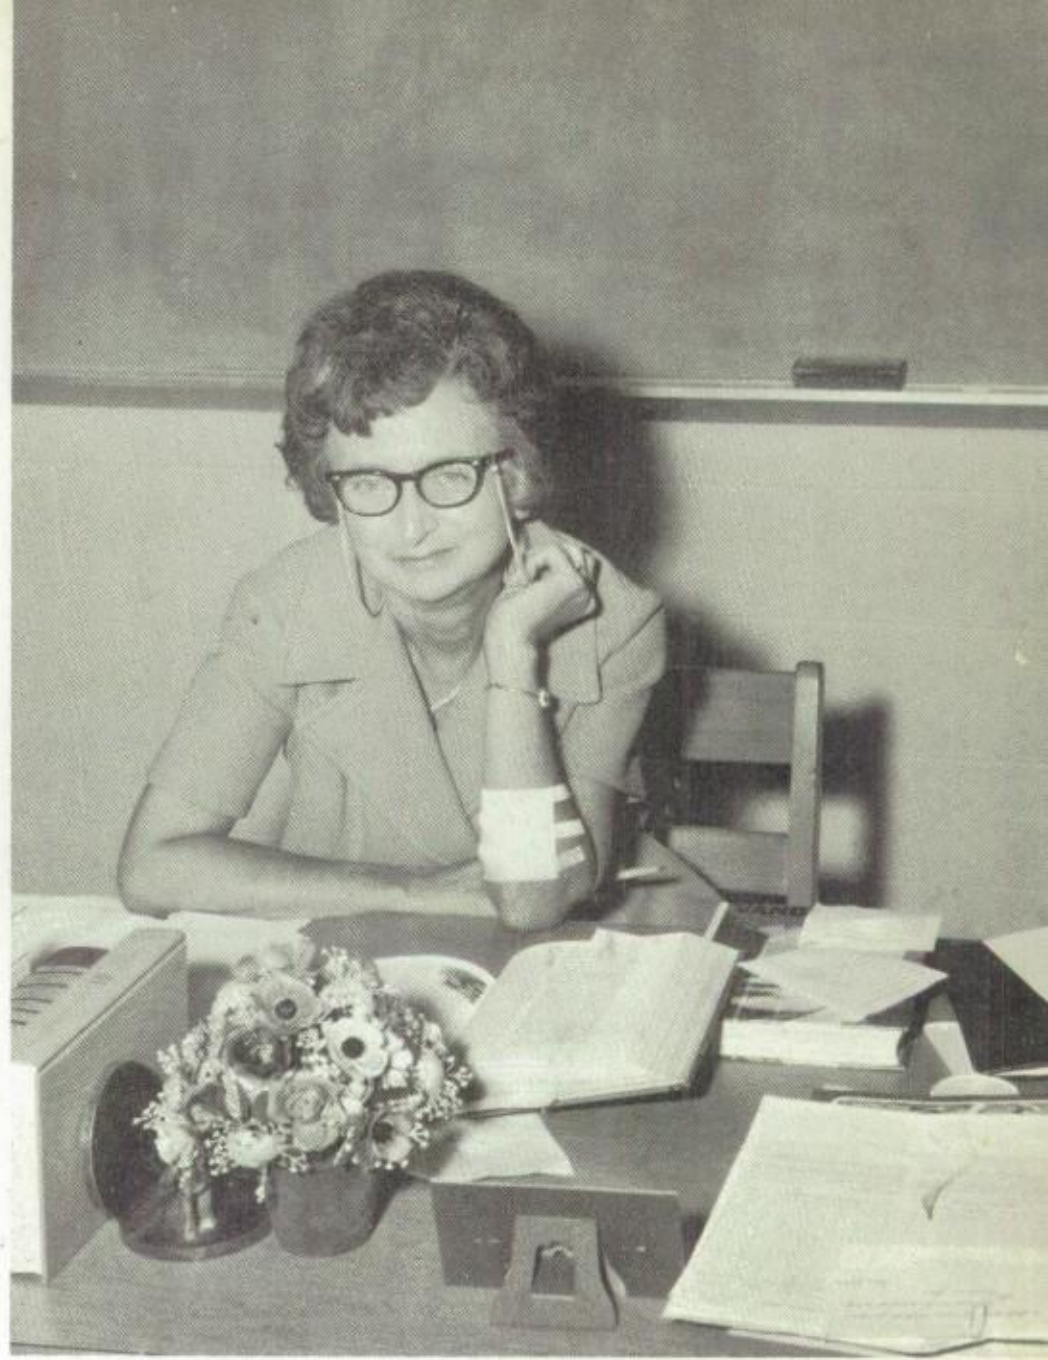

To one who has given her students understanding as well as facts, and to one who has dedicated many hours to the betterment of youth, We, the Senior Class, dedicate the 1972 SOUTHERNER to an inspiring teacher . . . Mrs. Aldena Smith.

*We esteem her for her integrity;
We admire her for her ability;
We honor her for her service;
We love her for herself.*

Mrs. Freida Chambers was a member of the faculty of South Rowan from its opening in 1960 to the spring of 1971. She was a very patient, conscientious, and inspiring teacher of English and Sociology.

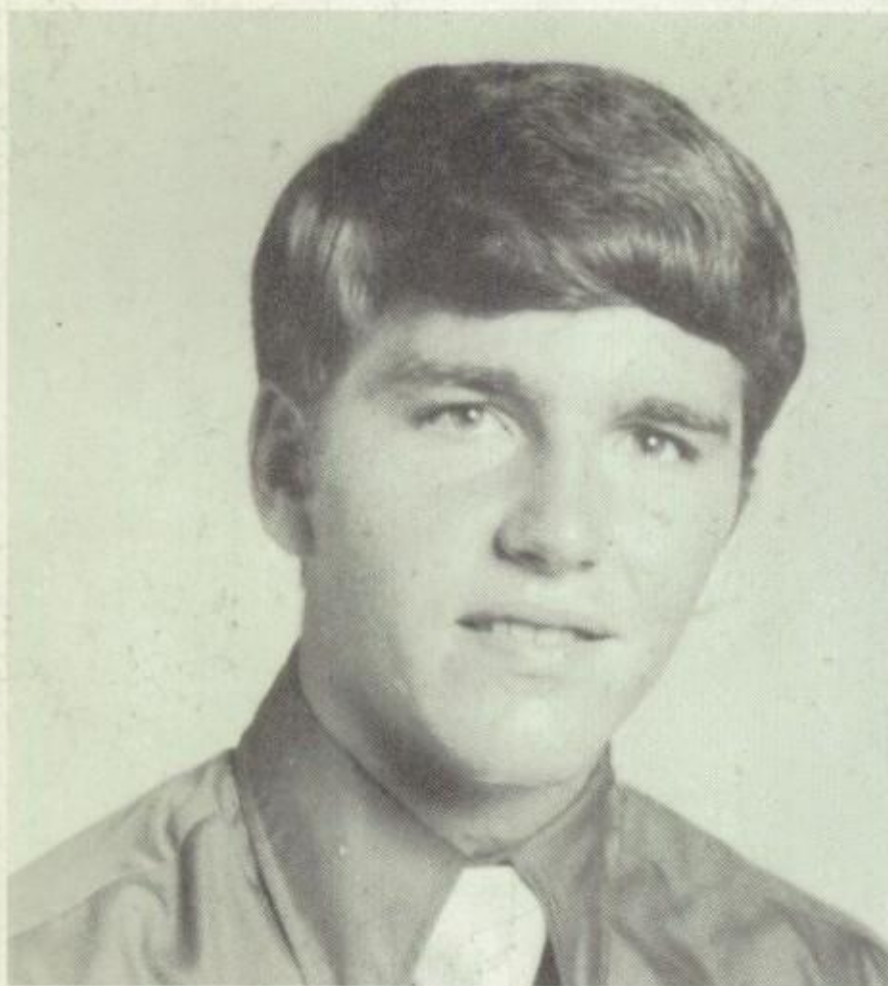

She will long be remembered by all who have known her as a teacher and as a fellow faculty member.

Mike Daniels

August 19, 1971

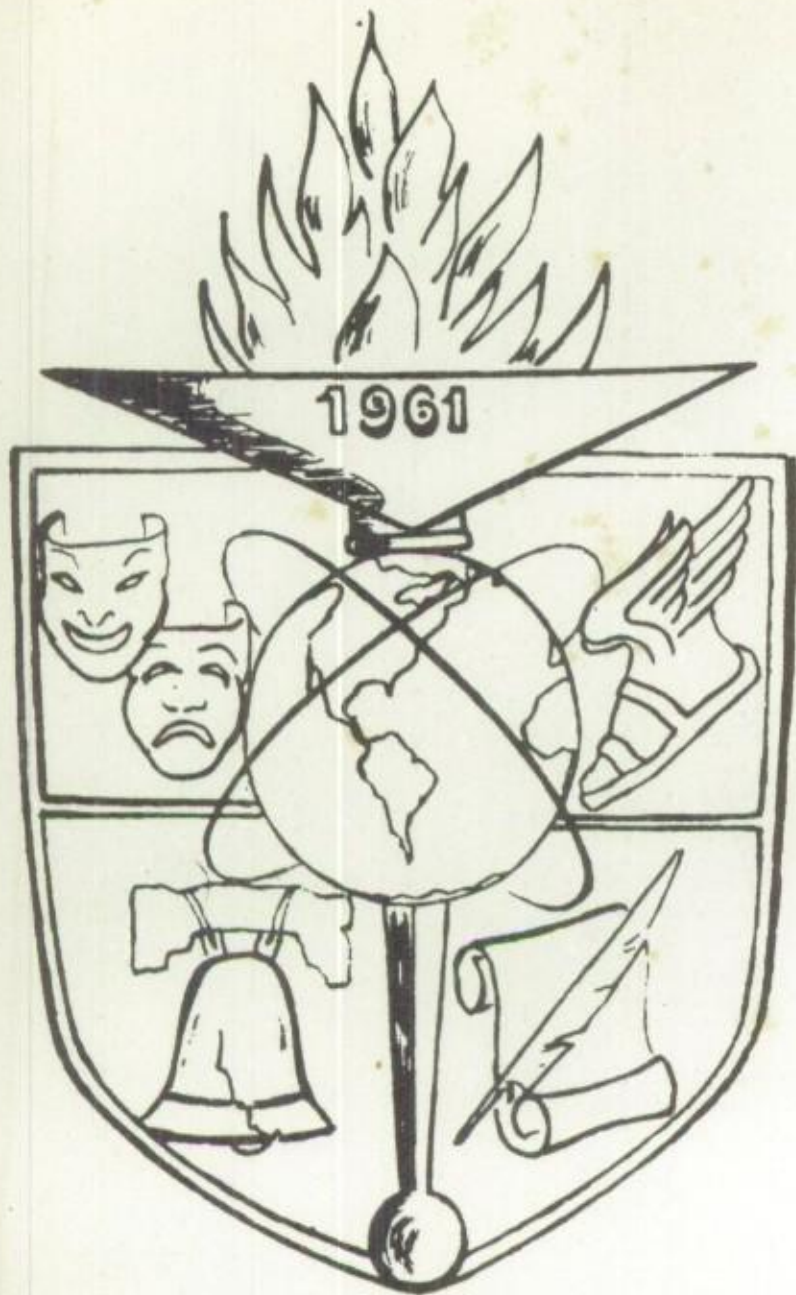

Mike Daniels will always be remembered as a courteous, gentle, carefree, young man. He was a 195 pound tackle and linebacker and was elected as one of three captains for this year's football team.

His life has left a deep impact upon everyone who knew him. He will remain in our memories forever.

Rev. Bill Brafford presented Mike's jersey, number 73, to Mike's parents, Mr. and Mrs. Carl C. Daniels, his sister, Dianne, and his brother, Joe.

 I've known you for only 2 years, but I knew
 when I first talked to you that you were
 a very nice girl. Of course we've had our
 fusses, but good friends always do. We've
 really had some great times this year,
 along with all of the stupid (and when I
 say stupid I mean every bit of it) things
 that we've done. If I hadn't done them
 I wouldn't have believed that I'd
 actually said it or done it. Remember
 when I called Danny a B.B.B! Boy that's
 something you'll never forget. Well I've
 got to go. Good luck in the future.
